GETTING STARTED

Programs that can help save you money

State programs can save you money

LET'S GET STARTED

You can get help from your state paying your Medicare premiums. In some cases, Medicare Savings Programs may also pay Medicare Part A (Hospital Insurance) and Medicare Part B (Medical Insurance) deductibles, coinsurance, and copayments if you meet certain conditions.

There are 4 kinds of Medicare Savings Programs:

1. Qualified Medicare Beneficiary (**QMB**)
2. Specified Low-Income Medicare Beneficiary (**SLMB**)
3. Qualifying Individual (**QI**)
4. Qualified Disabled & Working Individuals (**QDWI**)

If you qualify for a QMB, SLMB, or QI program, you automatically qualify to get Extra Help paying for Medicare prescription drug coverage.

3 important questions

If you answer “yes” to these 3 questions, visit Medicare.gov/contacts, or call your Medicaid office to see if you qualify for a Medicare Savings Program in your state:

1. **Do you have, or are you eligible for Part A?** If you aren't sure, look on your red, white, and blue Medicare card, or call Social Security at 1-800-772-1213. TTY users should call 1-800-325-0778.
2. **Is your income for 2015 at or below the income limits listed below?**

Note: The income and resource limits in this chart may change in 2016.

Medicare Savings Program	Individual monthly income limit*	Married couple monthly income limit*	Helps pay your
QMB	\$1001	\$1348	Part A and Part B premiums and other costs (like deductibles, coinsurance, and copayments)
SLMB	\$1197	\$1613	Part B premiums only
QI	\$1345	\$1813	Part B premiums only
QDWI	\$4009	\$5395	Part A premiums only

3. **Do you have limited resources?** The 2015 resource limits for the QMB, SLMB, and QI programs are \$7,280 for one person and \$10,930 for a married couple. Resource limits for the QDWI program are \$4,000 for one person or \$6,000 for a married couple. Countable resources include money in a checking or savings account, stocks, and bonds. When you count your resources, don't include your home, one car, burial plot, up to \$1,500 for burial costs if you've put that money aside, furniture, or other household and personal items.

* If you have income from working, you may qualify for these benefits even if your income is higher than these limits. Many states figure your income and resources differently, so you may qualify in your state even if you think you're above these limits. Limits are slightly higher in Alaska and Hawaii. Some states have higher resource levels or don't count resources. Check with your state to find out more.
